AMEDD Improving Healthcare Outcomes: Readiness, Business, and Clinical

8 November 2006

Hosted by: BG James Gilman, Commander, Great Plains Regional Medical Command

Updated 7 November 2006

GOAL: BY END OF DAY FILL THE BINS

PROPOSED AGENDA

- 8 November 2006
  - 0800 – 0815: Introduction
    - Short introduction to why we are here and goals of the summit. Introduce the “bin” concept and show slide #1. Introduce agenda.
    - Recommended Speakers: LTG Kiley & BG Gilman
  - 0815 – 0930: AHLTA Update
    - Update on any outstanding issues from previous summit. Possible topics: use of AHLTA in ED, aCPGs, 838/841 status, Centers Of Innovation status, CAC log-on, remote access, policy updating/writing, GME, Coding, and performance metrics/CDM status. Update on current electronic documentation strategy for inpatient care (may be impacted by TMAs pending decision on acquisition strategy for AHLTA). Update on 841 dental capability. Explanation of current planned future capability and timeline.
      - » Speaker: LTC Moody
    - Update on reliability/downtime, cause of interruptions and proposed solutions.
      - » Speaker: COL Gilbertson
  - 0930 – 0945: Break

PROPOSED AGENDA

- 8 November 2006
  - 0945 – 1030: Organizational Changes to Facilitate Transformation and Improve Outcomes
    - Description of how Army Transformation will affect healthcare delivery. Describe “Best Practice Team” concept and implementation. Emphasize funding and rewards.
    - Speaker: COL Cordts
  - 1030 – 1115: Medical Readiness - Electronic Documentation of Readiness: What is the System of Record?
    - Description of where AMEDD currently stands with military medical readiness documentation and our approach of clinical vs. operational needs. Emphasize need for direction on where medical readiness information will be documented, and how it will be analyzed.
    - Speaker: MAJ Kerkenbush
  - 1115 – 1130: Break
  - 1130 – 1230: (Working Lunch) – Prioritization of Medical Outcomes
    - Present strategy for prioritizing medical outcomes and give list of Top 10 current priorities.
      - » Speaker: COL Kerchief
    - Use of IHI “Idealized Design of Perinatal Care” as an example of a strategy for improving clinical outcomes. The IHI recommendations will be used as a vehicle to generate discussion on current challenges with improvement of clinical outcomes as well as recommended solutions.
      - » Speaker: COL Nielsen

PROPOSED AGENDA

- 8 November 2006
  - 1230 – 1315: Improving Business Outcomes Through Coding and Data Quality
    - Discussion of CARA and description of actions underway regarding a coding improvement initiative.
    - Speaker: LTC Amaker
  - 1315 – 1345: Lean Six Sigma as Part of Your Health Outcomes Improvement Tool Kit
    - Current LSS Project Overview: Access to Care / Improve Phone Appointing Services
    - Speaker: Mr. Mark Hernandez, Black Belt Candidate
  - 1345 – 1400: The Importance of Local Initiatives
    - Brief introduction to the reason why local initiatives are important and should be factored into any course of action aimed at improving outcomes. Could include a list of current local initiatives within the GPRMC (systems, processes, projects, etc.) to emphasize importance.
    - Recommended Speaker: BG Gilman
  - 1400 – 1430: GLWACH Organization Viability Report
    - Demonstration of product developed at GLWACH. Prefer a live demo to staged screen shots.
    - Speaker: LTC Sauer
  - 1430 – 1445: Break

PROPOSED AGENDA

- 8 November 2006
  - 1445 – 1515: BAMC PI NEXUS
    - Demonstration of PI product developed at BAMC.
    - Speaker: COL Ellis and LTC Marks
  - 1515 – 1615: Corporate Strategy: Structure and Support of Local Initiatives to Meet AMEDD needs
    - A discussion about local initiatives and how MEDCOM/OTSG Reg 25-1 applies to the adoption of these innovative ideas. This would include any update on changes to MEDCOM/OTSG Reg 25-1 (especially in light of DBT) as well as any discussion on how to gain efficiency with the process outlined.
    - Speaker: Dr. Helmrick
  - 1615 – 1630: Break
  - 1630 – 1715: Review of Day, Discussion, Filling the Bins

    Speaker: Mr. Coley and LTG Kiley
  - 1715 – 1800: GO/SES Discussion

GOAL: BY END OF DAY FILL THE BINS
